

Rowboats, Sailboats and Submarines

Topic Work Thursday 2nd July

MOVING TOYS

Decorating your vehicle

Today you are going to decorate the car body of your vehicle. Go back to your plan and look at who you have designed your vehicle for. This will help you with your decorating ideas.

The outline of the car is on the page below or you can use materials at home to create your own. See the pictures below for ideas.

1. Cut out the outline of the net.
2. Decorate the side where there are no lines (turn the outline of the net over).
3. Fold the net along the dotted lines (so the dotted lines are on the inside of the fold).
4. Put glue on the tabs and assemble the car body.
