

Hello Gondolas!

I just wanted to write a little message to wish you all the very best of luck for Secondary School. I have really missed teaching you this spring and summer term - you are an amazing class and I loved the time that we had together. You are all fantastic children who work hard, are polite and friendly and it has been wonderful to have taught you all- even if it was only for half a year!

I hope you are all looking forward to a new start in September and I am sure that you will all love your new schools. You are going to experience so many new things next year- you must all be very excited!

Hopefully, you will come back and visit Riverside at some point- everyone would be very pleased to see you all.

I know that you are all going to do so well in the future and I really wish each and every one of you the best of luck (not that you need it!) and I want to thank you all for being such a fantastic class- I will miss you all!
