KNOWLEDGE ORGANISER

ART	*State of the Art*	*YEAR 5 and 6 / KEY STAGE 2*

Cross curricular links	Key skills	Key Vocabulary/definitions
Geography, History, RE - Art is connected to the experiences of the artist – where they are from, their religious and cultural heritage and the materials available to work with.	Develop an awareness of different kinds of art and design Analyse and discuss the works and techniques of artists using 'the vocabulary of art'. Develop drawing and painting techniques using a range of materials Experiment and develop painting skills and use a taught technique to achieve a recognisable style	**Composition:** the way the parts of a creative work are put together **Movement:** how is movement shown even if the work is still **Narrative**: the story of the piece **Emotion:** the feeling of the piece – what is the artist trying to convey? What is the viewer's response? **Historical, cultural, symbolic references**: things from the wider world that are included in a work that the viewer can respond or refer to.
