PE	TAG RUGBY	YEAR 5/6

Cross curricular links

PSHE- working as part of a team and learning the importance of exercise

Maths- problem solving

Key skills

- Use space, changes in speed and direction, to keep possession/ progress towards opposition's goal
- To communicate well with team mates
- To know different positions in a team/the roles of players in these positions
- To defend the places from which it is easiest to score
- To show ways to keep the ball from defenders and how to shield the ball
- To vary tactics and adapt skills in the response to the situation

Key Vocabulary/definitions

Try- a point scored during a rugby game
Passing – passes must be played level or backwards, the ball cannot travel forwards, this will result in possession turnover
Scoring – A try is scored when the ball is placed over the try line with both hands pushing the ball down
Tag – To remove a tag of the opposition player who has the ball
Dodging – move past the opponents with the ball
Handling – 2 hands on the ball at all times
Offside – Attacking players must remain behind the ball when it is active

Key facts

What is tag rugby?

Tag rugby is a non-contact version of rugby, in which each player wears a special belt that has two tags attached to it. Instead of being tackled, a player carrying the ball can be 'tagged' by having a tag removed from their belt by a member of the opposition.
