

Numeracy

*Today I have made a Bingo game for you to play with your Mum or Dad.*

*You will need to print the game boards and shape cards.*

*Place the shape cards face down on the table.*

*Take it in turns to pick a card.*

*Say the name of the shape and the colour and see if it matches one of the groups on your game board.*

*If it does you can put it on the matching picture.*

*If it doesn't you need to put it back face down on the table.*

*The winner is the first one to match all the shapes and colours on their board!*
