

Make a Rainbow

Make a rainbow using coloured pencils, pens, paint or collage materials.

These are the colours in a rainbow:

| | |
|---------------|--|
| <i>red</i> |  |
| <i>orange</i> |  |
| <i>yellow</i> |  |
| <i>green</i> |  |
| <i>blue</i> |  |
| <i>indigo</i> |  |
| <i>violet</i> |  |

When you have finished your rainbow stick it in your window.
