

## Home Learning Summer 2

<p><b>Literacy</b></p>	<p>Read a book with your Mum or Dad and talk about the main events in the story and where the story takes place. Remember to practise your Reading Target!</p> <p>Practice writing using your phonic knowledge. You could try and retell the story you have read using the sounds you know.</p> <p>Sing some nursery rhymes:  <a href="https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-30-minute-medley/zbhtjhw">https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-30-minute-medley/zbhtjhw</a></p>	
<p><b>Maths</b></p>	<p>Play a board game with your family. Practise counting the number of dots on the dice, moving the correct number of spaces and taking turns. Compare different objects in your home by weight and use the vocabulary heavy and light to describe them.</p> <p>Sing some counting songs:  <a href="https://www.bbc.co.uk/programmes/p065z8z4">https://www.bbc.co.uk/programmes/p065z8z4</a></p>	
<p><b>Creative</b></p>	<p>This Half Term our Topic is 'Printing'. You could use a potato to make a simple printing block. Ask an adult to cut a potato into halves and cut a pattern into the potato. If you have printing sponges at home you could also use these to create a picture.</p>	
<p><b>Understanding the World</b></p>	<p>This Half Term our topic is 'In The Garden'. If you have some seeds you could try growing a plant. Cress is really easy to grow and grows quite quickly. Remember that your seeds will need sunlight and water. You could record the different stages of the seeds growth by drawing a simple picture and writing a one word label.</p>	
<p><b>Physical Development</b></p>	<p>Ask your Mum and Dad to do a cooking activity with you. You could ice some biscuits, bake some cakes or help to make the breakfast, lunch or dinner. Remember to keep practising doing your buttons and zips up on your own and not always asking your Mum or Dad to help you!</p>
