

# Design a New Sport

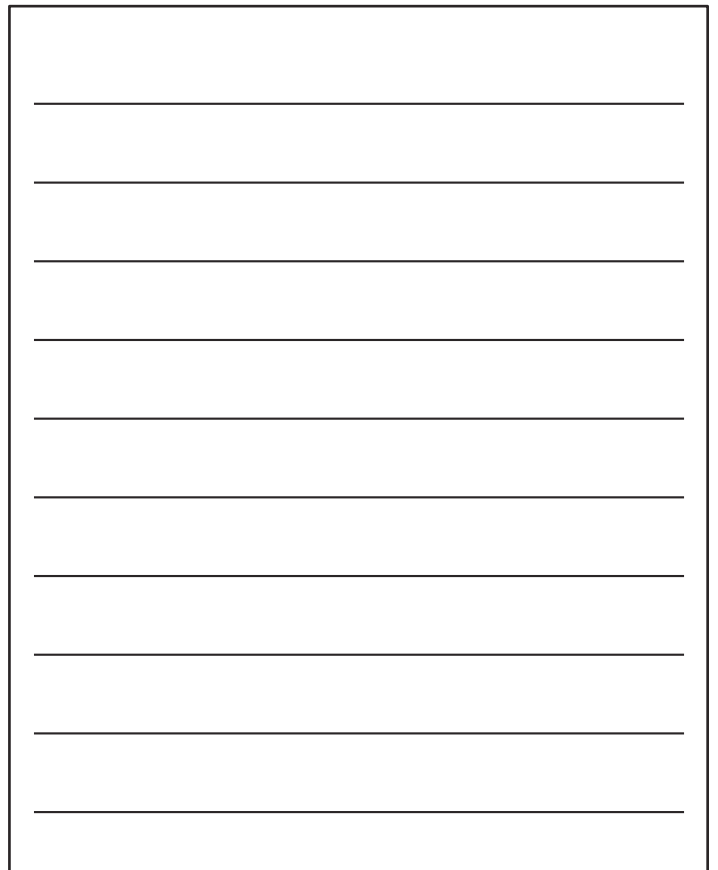

## Amazing Fact

The sport of chess boxing combines two traditional sports; chess and boxing. The competitors fight in alternating rounds of chess and boxing and winning in either round means overall victory.

## Challenge

Design your own sport that combines two different sports.

Give it a name and describe how it would work. Then, draw a picture to show your new sport.

You could also try to find out:

- how popular chess boxing is;
- where the idea originated from;
- whether any other mixtures of sports exist;
- what other sports would go well together.

Can you write instructions for your new sport?
