

## Literacy activity 30.6.20

#simplyphonics #phase3phonics  
Phase 3 Phonics Vowel Digraphs and Trigraphs ai, ee, igh, oa

Today we are continuing to recap the long vowel sounds that we have learnt: ai, ee, igh and oa. You might want to begin by recapping these sounds using the video from yesterday.

<https://www.youtube.com/watch?v=OQwrkowksKk>

### To start

Have a go at reading the following words, remember to look for the long vowel sounds: ai, ee, igh, oa.

oats

light

feet

train

sleep

boat

pain

high

### You should

Today we are going to spell some words that have the long vowel sounds in. Look at the pictures on the next page and then spell the words using the phoneme frame. If you don't have a printer, look at the pictures and write the words down on some paper. Remember you only put one sound into each box. For example, goat has three sounds, g-oa-t. Each sound goes in its own box.

	l		
--	---	--	--

You could

Write a sentence next to the picture. You need to include the word with the long vowel sound in your sentence. Remember your finger spaces, to sound out your words and to end your sentence with a full stop.
