

Literacy activity - 22.6.20

This week we are going to continue with the sound 'oa' (as in boat). This sound has two letters that work together to make one sound. First watch the video 'oa sound – Mr Thorne Does Phonics'.

<https://www.youtube.com/watch?v=tbLTgyrC3eg>

To start

Look at the following pictures. Circle or point to the pictures that have the 'oa' sound.

You should

Today we are going to spell some words that have the 'oa' sound in. Look at the pictures on the next page and then spell the words using the phoneme frame. If you don't have a printer, look at the pictures and write the words down on some paper. Remember you only put one sound into each box. For example, goat has three sounds, g-oa-t. Each sound goes in its own box.

You could (if you want a challenge!)

Write a sentence about each of the pictures; it can be a silly sentence if you want! Remember your finger spaces and to sound out each word.
