

Literacy activity - 23.6.20

Today we are continuing with the 'oa' sound (as in 'boat'). We are going to start by recapping the sound with Geraldine the Giraffe in 'Geraldine the Giraffe's flash cards'. In this video we will be reading words with the 'oa' sound in. When you're watching the video, you might want to pause it to give yourself more time to sound out and read the words.

<https://www.youtube.com/watch?v=HeGEgUcSMEs>

To start

Have a go at reading the following words, remember to look for the 'oa' sound.

oats

float

coat

You should

On the next page are lots of words with the 'oa' sound in. Some of these words are real, but some are nonsense alien words.

If you can print off the sheet, read the words and then colour them in one colour if they are real and another colour if they are nonsense words. You could also cut the words up and ask your child to read them and then sort the words into two groups: real words and nonsense words. If you can't print off the sheet, read the words and then ask your child to tell you whether the word is a nonsense or a real word.

When the children are reading the words, remind them to look for the 'oa' sound.

coat

shoaf

goag

broap

moat

zoap

coast

thoap

throat

soap

boak

groan

poag

toast

koag

You could

Write a sentence next to the picture. You need to include the word with the 'oa' sound in your sentence. Remember your finger spaces, to sound out your words and to end your sentence with a full stop.
