

Longboats

Spellings W/B 22.06.2020

Good morning Longboats, how are you today? This week in spelling, we're going to look at a mixture of **wh** words and you Year 5 /6 spelling words for this half term.

Monday

Can you think of a **wh** word that belongs with each definition and write it in the box? If you get stuck, check the words on Spellodrome to look at some options.

word	definition
	When someone's voice or chest sounds like there's too much air in it. You might feel like this if you had asthma and needed your inhaler.
	A large amount of one product all sold in one huge box or pack
	When someone is whining and moaning without a very good reason
	A natural phenomenon where water spins round and round and drags in nearby boats and fish.

Tuesday

Follow this link to complete a quiz about **where, were, we're** and also **wear**. Can you get 10/10? Remember – *we're is short for we are but were is the past tense.*
