

Hi Year 2s,

We hope you are all ok! Well done for all the hard work – again!

Last week, we went for a socially distanced walk after school. Suddenly, to our surprise, we saw a small village of houses, tucked beneath the trees. As we walked around the trees, we spotted more and more of the tiny houses. A kind old man was walking by and he told us that he had lived in the area for many years. He said that although he had never seen them, he believed that the houses belonged to elves, pixies and fairies. We didn't see any of the tiny people who lived there, but when we arrived home we used our imagination to draw what they might look like. Have a look at the houses that we saw.

Elf Road

Billy had always been curious. One sunny afternoon, he was walking down Elf Road when he saw an unusual wooden door in the brick wall. The metal handle was shaped like a dragon's mouth. Gently, he turned it and the door creaked open. Inside, there was a huge, dark hall.

On an enormous table, someone had set out a great feast with slices of chicken, bowls of salad, jars of fruit and plates of sweet puddings. Hundreds of tiny people were serving steaming pies, fresh strawberries like gleaming embers and glasses full of creamy drinks. They were dressed in rainbow coloured clothes with scarlet cloaks, pointed mustard yellow shoes and crimson caps. Billy tried to talk to the tiny people but they did not say a word!

In the middle of the table was a glittering dragon carved out of ice and in its beak there was a folded piece of paper.

“Look where you wish, but don't touch a dish.”

So, Billy wandered further into the hall, walked past a great fireplace and, at the end, he found a golden cupboard.

Amazed, he opened the door and inside was a golden apple sitting on a silver plate. It smelt so sweet and his mouth was so dry that he picked it up and took a bite. The glistening apple tasted of sunlight! At that very moment, Billy gasped because he had remembered what he had been told.

Instantly, he could hear a thousand mocking voices ringing in his ears like sharp, clanging bells. Billy shuddered and ran from the echoing sound. Clutching the apple, he dashed

through the dark hall, past the great table with the tiny people running behind him. Just in time, he found the wooden door that led him back to his own world.

Amazingly, two very strange things happened after Billy reached home. First, Billy planted the apple pips. One grew into a beautiful tree with blossoms of silver and apples of gold that glowed like tiny suns. His mother said that the fruit tasted sweeter than starlight itself. Second, poor Billy never saw the door again, even though he walked up and down Elf Road many times. At school, they said that Billy was always lost in his daydreams. He dreamed of dark halls, fantastic feasts and golden cupboards. Sadly, that other world had disappeared. Well, at least, Billy never found his way back...
