Good morning Longboats,

This is your last English lesson of the year! We are going to use it to write a letter to your teacher for next year – I think you will know who that is by the time you read this.

### **Spelling**

I know that some of you have been working really hard on the Year 5/6 spellings all half term. If you have been doing that, you can do this final spelling test to show off how well you know them!

If you feel like you're still not sure about these words, don't worry, you can leave this spelling test – it is the last day after all!

### **Main Activity**

You won't get a chance to go to your new classroom before the Summer so today we're going to write a letter for your new teacher to tell them all about you. You can save your letters and bring them in when we come back in September - make sure you keep it somewhere safe!

I've put some sentence starters here to help you write in paragraphs and include lots of great information. You don't have to use every sentence starter. If there's one that you don't want to use, you can just miss it out.
