

## Literacy activity 17.7.20

Over the past few weeks we have been reading lots of stories about adventures. I'm sure during Reception, both at school and at home, you've had some adventures. Today is your last day in Reception and when you come back to school in September you'll be in Year 1. To finish off our year together I would like you to write about an adventure that you have had.

### You should

We are going to be writing sentences about an adventure. You might want to start by thinking about some adventures that you have had this year and talk about them with an adult. If you are stuck have a think about our class Nativity, your birthday or some of the fun activities we did at school. If you have a printer, on the next page there is a template for you to use. If you don't have a printer, encourage your child to write their sentences on a piece of paper.

When writing, encourage your child to:

- think of and say their sentence before they write it down
- sound out every word
- remember to leave finger spaces.

# *My Adventure!*
