

## Maths activity – 10.7.20

### Shape & Pattern

#### To start

Ask your child to continue these patterns of letters, symbols and numbers.

e	r	e	r	e			
---	---	---	---	---	--	--	--

6	2	6	2	6			
---	---	---	---	---	--	--	--

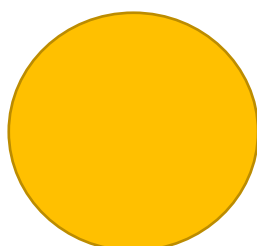

<	>	<	>	<			
---	---	---	---	---	--	--	--

#### Should

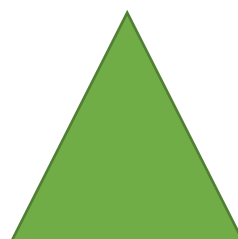

Ask your child to see if they can find at least one example of each of these 2D shapes in the room around you. They might be on the faces of objects, on labels, on the walls etc.

square

circle

triangle

rectangle

Next, ask your child if they can choose two of those shapes and draw them in a repeating pattern in the grid below.

--	--	--	--	--	--	--	--

They could draw a second pattern here if they wanted to.

--	--	--	--	--	--	--	--

### Could

If your child would like a challenge, ask them to find objects around the home which match these 3D shapes.
