

Topic – Week Beginning 13.7.20

This week is your last week in Reception. When we return to school in September you will be in Year 1. Although we haven't had as much time together as I would like, we have had a wonderful year with all of you.

You should

This week our activity is going to be about transitioning from Reception to Year 1. You might want to talk with your child about some of the changes that will happen when they come back to school, for example, a new teacher and a new classroom. It is also nice to talk about what they enjoyed in Reception and what they would like to get better at next year.

On the next page, there is a sheet to help your child think about the transition from Reception to Year 1. If you have a printer, you can fill in the sheet together. If you don't have a printer, you could talk about each section and encourage your child to write down or draw their ideas.

You could

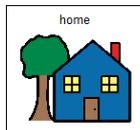

If your child is finding the idea of transitioning to a new class hard you might want to read them this story to help them understand the changes that will be happening.

School has been closed for a long time.

(It has been closed because of Coronavirus).

When School is closed I stay at home. In September school will open again.

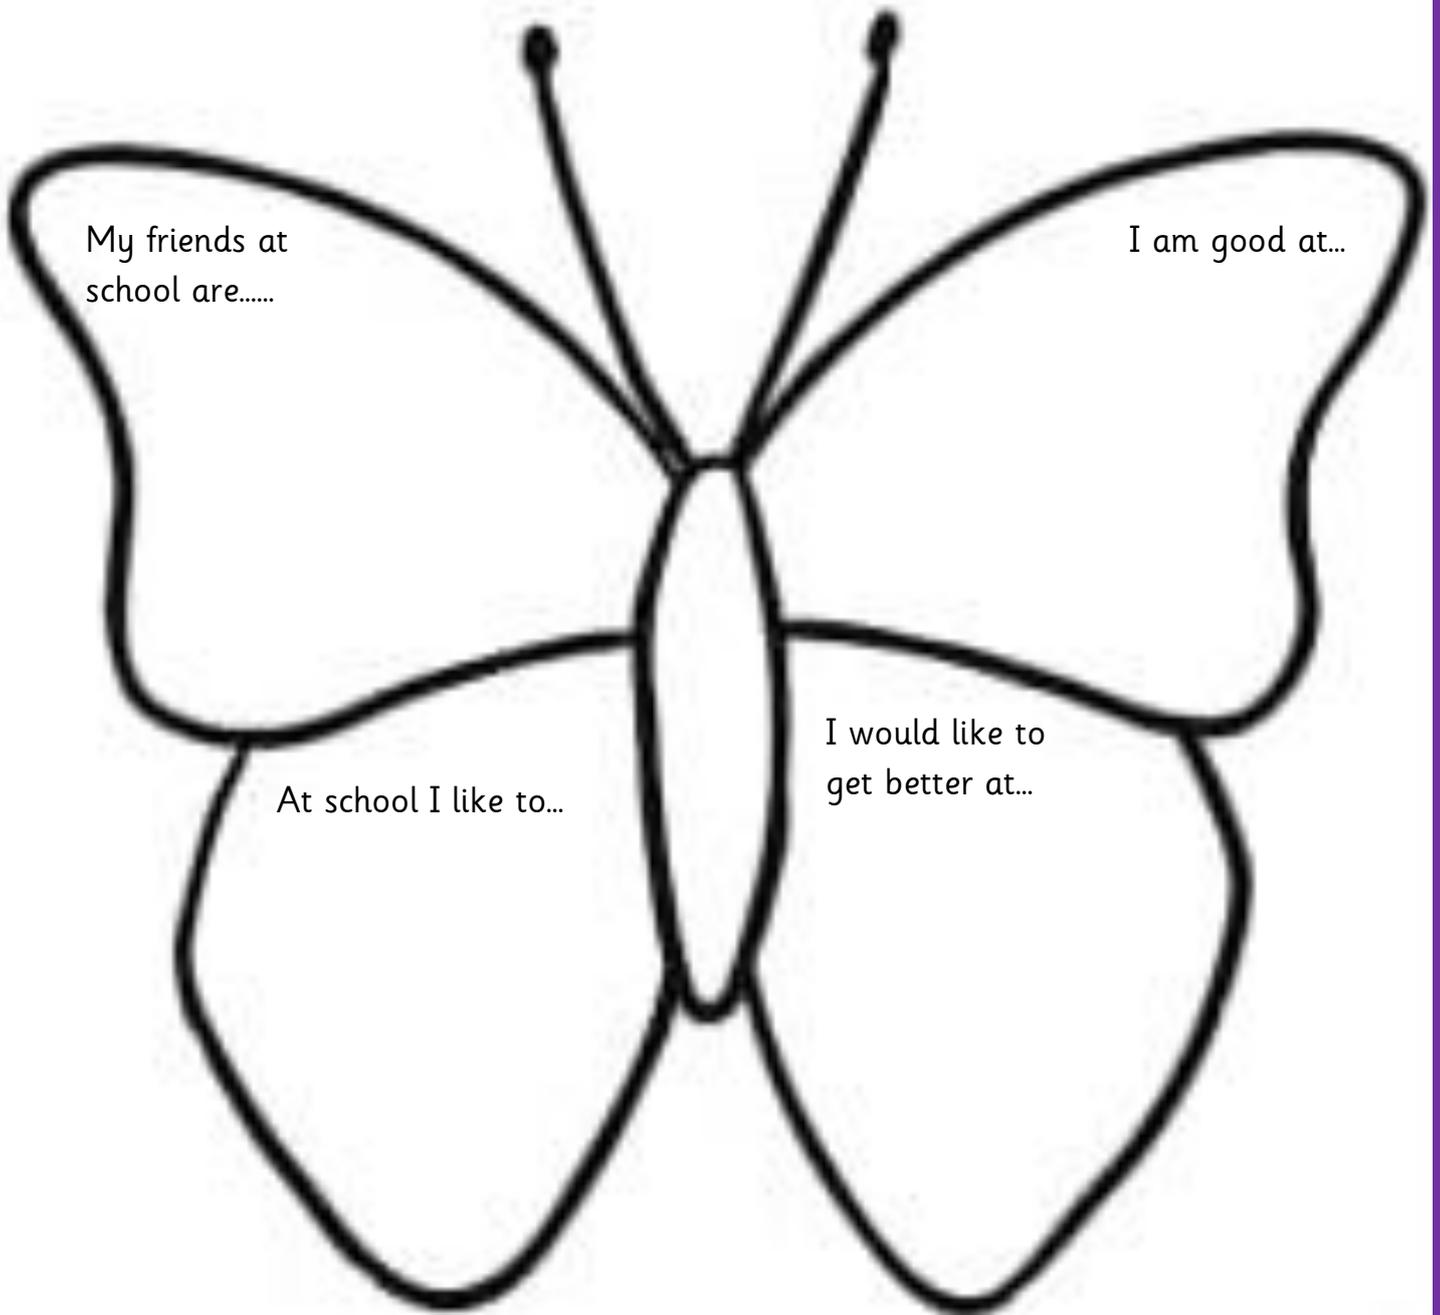

My new classroom will be in the New Building. I will play in the same playground and eat in the same lunch hall.

My teacher will be _____ . There will be other adults to help me.

Going back to school will be ok.
