February 2022

Dear Parents and Carers,

Riverside Primary School is involved in a new exciting project! Our breakfast club together with the Impact on Urban Health programme are participating in a six-month breakfast pilot. The pilot aims to improve children's access to tasty and nutritious food with potential to improve children's health behaviour and attainment.

We are very excited to offer a new breakfast menu with nutritional quality at its core! Each week, children will be offered a different nutritionally balanced meal at breakfast.

Please let me know if you have any questions and support us by encouraging children to try out the new food at our breakfast club.

Kind Regards

Neri Price
