MATHS	ADDITION/SUBTRACTION/MULTIPLICATION/DIVISION		KS1
Cross curricular links	Key skills	Key Vocabulary/definitions	
ICT – Using Mathletics at school and at home to practice our key maths skills.	<p>To know and use our number bonds to 10 and 20 to help us answer addition and subtraction questions.</p> <p>To be able to add and subtraction one-digit and two-digit numbers to other one-digit and two-digit numbers, as well as tens e.g. $33 + 20$.</p> <p>To be able to able to complete addition and subtraction calculations with missing numbers in eg $21 + ? = 34$</p>	<p>Addition: The sum of two numbers together sum, total, more than</p> <p>Subtraction: The process of taking one quantity and removing part of it to work out what is left Difference, less than</p> <p>Multiplication: a number is added to itself a number of times Lots of, making equal groups, time, multiply</p> <p>Division: the process of breaking a number up into equal groups and finding out how many parts in each group Sharing, splitting, dividing</p> <p>Equal: Exactly the same amount or value</p>	
Pictures/photos relevant to topic	<p>To be able to count in 2's, 5's and 10s and use this to solve mathematical problems.</p> <p>To be able to make equal groups and share between equal groups to answer multiplication and division questions.</p>		
<div style="text-align: center;"> <p>76 = 60 + 16</p>  </div>			
Key facts			
<p>Online games/resources- you can use your laptops at home to log on to Mathletics and practice your addition, subtraction, multiplication and division skills! https://login.mathletics.com/</p> <p>If you want to practice your times table knowledge and try 'Hit the Button' https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Word problem – What operation would you choose to solve each problem?</p> <p>6 children are eating strawberries. They each have 5 strawberries. How many strawberries do they have altogether?</p> <p>Sam put 18 cards in rows. He puts 3 cards in each row. How many rows of cards are there?</p> <p>It takes 43 minutes to feed the sheep and 19 minutes to feed the chickens. How many minutes is that in total?</p>
