### Key facts

#### Cricket Rules

#### **The fielding team tries to get the batters out by:**

- Hitting the wickets with the ball when bowling
- Catching a batsman's shot
- Hitting the wickets before the batter can run to the other end of the pitch

#### **The batters try to score as many runs as possible while not getting out by:**

- Hitting the ball and running between the wickets and making it to the other end before the fielders can hit the wickets with the ball. Each time you run one full length of the pitch it equals 1 run.
- Hitting the ball to the boundary along the ground is 4 runs.
- Hitting the ball over the boundary on the full equals 6 runs.
